

Darien

88 Points – *Seleccion* 2002

Hints of brett and cowhide give this Tempranillo-led blend a more rustic outlook, but the palate is pure and fruity as it emphasizes expressive berry flavors. The mouth feel is more than acceptable and the finish of spice, raspberry and medium weight tannins does the trick.

88 Points – *Reserva* 2002

A saturated wine with some lemony oak aromas accenting deep berry notes. The palate is juicy, tannic and big, with full-sized raspberry and plum flavors. Definitely it pushes things up a notch, and the end result is a brawny solid wine with good balance...

86 Points – *Crianza* 2004

A healthy crianza with touches of wood grain, damp earth and dark fruit in the bouquet. The palate, however is more fresh and snappy, with lean, semi-tart flavors of pie cherry and raspberry. If cleansing acidity and traditional Rioja flavors are to your liking, this will be appealing.

The new Winery at Bodegas Darien is Open !
