

Quinta de Ventozelo

90 Points – EDITORS CHOICE

Quinta de Ventozelo *Touriga Nacional* 2004

A dark, brooding wine, packaged with black fruits that are dominated by dry tannins. This is still young, but the dense blackberry fruit flavors are all here. Its weight and power need time to tame, but for now, the acidity and fruit are impressive.

Quinta de Ventozelo *Red* 2004

Already showing signs of maturity, this is a full, ripe wine, with licorice and black fruit flavors, hinting also at coffee. The wood gives firm but dusty tannins, leaving an openness to the wine, along with an element of spiciness. The aftertaste is full and dry, with good acidity.

88 Points – Quinta de Ventozelo *Tinta Roriz* 2004

A firm, ripe wine, with great red fruit flavors, dark tannins and an edge of coffee. There is some toast element here in this still young wine.

88 Points—Quinta de Ventozelo *Touriga Franca* 2004

All spice, juicy fruit and dry tannins, this certainly evokes the spirit of the grape. There is a mineral quality to the red berry fruits, which comes through in the youthful, firm edge.
